

Spårvägens årsstatistik 2009

Sammanställd av Jonas Hedman, jonas.hedman@textograf.com.

En rad i listorna innehåller från vänster till höger: resultat, namn, födelseår, placering, eventuellt specifikation av tävlingsklass eller dylikt, tävlingsort, tävlingsdatum, vindstyrka (i berörda grenar) och – där så är känt – tidigare personbästa ("0" = inget tidigare resultat i grenen, "+" = tidigare bästa resultat säkert sämre, "-" = tidigare bästa resultat säkert bättre). Asterisk (*) efter namn innebär att den aktive inte är svensk medborgare.

- Genom-tiderna-bästa-listor i alla manliga seniorgrenar.
- Decennialistor - 10-bästa i alla grenar för varje decennium.
- Junior- och ungdomslistor för åldrarna 14-22 år.

STATISTIKBIBELN!

Bengt Holmbergs "Sverigebästa genom tiderna i friidrott" är en unik bok som innehåller det allra bästa av vad våra främsta manliga friidrottare åstadkommit. En fantastisk sammanställning med över 22 000 personliga rekord i form av djupa genom-tiderna-bästa-listor i alla manliga seniorgrenar plus 30-djupa listor för juniorer och ungdomar.

Seniorlistorna innehåller upp till de 1000 bästa och inkluderar resultat, namn, klubb, födelsedatum samt plats och datum när resultatet gjordes. 100 m-kapitlet innefattar alla som gjort 11,20 eller bättre. På 800 m är de 1008 bästa med.

Sammanställningen innefattar alla våra största stjärnor som Mustafa Mohamed, Johan Wissman, Stefan Holm, Anders Gärderud, Patrik Sjöberg, Gunder Hägg och många fler. Men också personer som är kända från helt andra sammanhang - bland annat advokaten Henning Sjöström (spjut) och författaren Per Olov Enquist (höjd).

664 SIDOR

Hårdband, 170x240 mm, 664 sidor.
